

## Wer spielt wen?

Robin Hood und seine tollkühnen Gesellen (Maid Marian eingeschlossen!), aber auch seine Widersacher

Die folgende Auflistung verzeichnet in produktionschronologischer Reihenfolge die (soweit mir bekannt) Darsteller und die Darstellerin der wichtigsten Charaktere der Robin-Hood-Geschichte. Auch hier gelten die üblichen Anmerkungen: Jahreszahlen mögen in der Literatur um ein Jahr abweichen (Produktion und Kinostart), Titel werden ggf. abgekürzt bzw. bei mehrsprachigen Co-Produktionen oder Alternativtiteln auf einen (Haupt)titel beschränkt.

Das Sternchen hinter dem Darstellernamen weist darauf hin, daß es sich dabei um z.B. eine Verkörperung des Helden als Rolle handelt oder aber um eine entsprechende Figur, die den Namen nur in einer Synchronfassung trägt. Nähere Erklärungen dazu finden sich demnächst in der ausführlichen Würdigung aller Robin-Hood-Filme an anderer Stelle auf dieser Website (dort auch die deutschen Titel). Moderne Bearbeitungen der alten Legende wurden hier nicht bzw. nur in Ausnahmen berücksichtigt, ebensowenig Schauspieler(innen), die den Charakteren ihre Stimme in Trickfilmen liehen. Für König Richard Löwenherz und Prinz/König John wurden neben Robin-Hood-Filmen auch weitere Historienfilme einbezogen.
